Comfort, Convenience And A Courtyard

This smart and peaceful sanctuary at the rear of a boutique block delivers easy living complemented by a private courtyard, a great space for relaxing on a warm evening or a sunny weekend.

Ideally positioned for living convenience, it is moments from Latrobe University, tram to the CBD, Bundoora Park and the dining and shopping options of the Polaris centre.

Presented as new, it introduces open plan living meals that integrates a Bosch equipped kitchen, bedroom with built in robes, European laundry and a generous bathroom featuring designer cabinetry. Timber floors, quality carpet, split system heating and cooling and carport make this a winner for owner-occupiers and investors alike.
