Hard To Resist...Inside And Out

This beautifully presented three bedroom, two bathroom residence is nestled in a quiet street just a few doors from Middle Gorge Park's bike paths and walking tracks, within a short stroll of the primary school, hotel, cafe's and takeaways and a few minutes drive or bus ride from the station and Westfield.

Ideal for family living, where it is, is just half the story, what it has is sure to impress! Designed for family harmony and relaxed entertaining, it introduces formal lounge, family living with meals and a rumpus room stepping up to a heated spa in its own internal space. Luckily the modern kitchen will be able to cope with meals with ease, because we know where everyone is going to be gathering!

With a huge out door zone, study, fitted garage with rear roller door, family size laundry, ducted heating and vacuum, climate control, alarm, it's a prime opportunity to secure one with the lot!
