Stylish Single Level Success

Enjoying the peace and privacy of the coveted rear position in a boutique block, this near-new home will delight couples, young families, downsizers and investors alike.

Beyond the contemporary facade is a sleek, chic interior introducing open plan, timber floored, living that integrates a kitchen with quality stainless steel appliances and opens to a private courtyard and easy care garden.

A short hallway leads to two robed, carpeted bedrooms and a deluxe bathroom. The garage offers the convenience of internal access and opens directly to a service yard.

Add in a true laundry, split system climate control, schools, shops and the bus all just a few minutes away and Reservoir within easy reach, and you have vibrant, inviting well-located living.
