Price: \$780,000

Who'd guess that what was once a simple 50's home could be renovated, glamourised and modernised to such brilliant effect? Landscaped gardens, an expansive front terrace at the start of the journey to an interior where fresh paint, Baltic pine floors and an extensive use of stone and high end fixtures, fitting and finishes has created a benchmark setting home of incomparable appeal. A blend of classic and contemporary, it will take your breath away.
