Enjoy Today. Plan For Tomorrow

Set back from the street for peace and privacy. This home shows stylish updates, lovely appeal, character with a classic vibe, and space for the family to enjoy. Just 500m from Ruthven station, and an easy walk to High, Spring and Edwardes Street's for your shopping, dining and latte fix, the wide allotment introduces the possibilities for subdivision as does the prospect of access from the rear (stca). It doesn't matter whether you're seeking a comfortable, convenient feature-packed home, a fabulous investment, a place to enjoy today and enhance tomorrow, or something to subdivide or redevelop, (all stca) this ticks every box!
