Huge Living And A Great Location

For the growing family in search of a spacious home on an equally spacious allotment this is sure to appeal. Tucked away behind an ageless facade complete with a return veranda, it opens out to introduce three bedrooms complete with two full bathrooms, family living-meals that wraps around a kitchen finished in timeless black and white (and complete with a warm and welcoming breakfast bar) and a second expansive living room, perfect as a rumpus for the kids. Adding to the liveability is an enormous, enclosed veranda which introduces options for large scale, year-round entertainment. An easy stroll to the station, cafes, shops and eateries in the centre of Reservoir only increases the desirability.
