Classic Façade, Contemporary Living

Set in established gardens on a very generous 672m² allotment (approx), this classic brick beauty has undergone a carefully considered breathtaking designer transformation. Sublime fixtures, superb fittings and artisan finishes enhance a spacious interior that's been opened up and styled up to meet the expectations of contemporary living. The clever floorplan now has the living, dining and stunning stone-look kitchen with meals flowing freely between each other to create a seamless haven for relaxed living and entertainment. Finished with floor to ceiling tiles, a deep designer bath and an oversize shower, the sleek bathroom indulges the occupants of the three bedrooms in contemporary luxury.
