LOW MAINTENANCE LIVING!

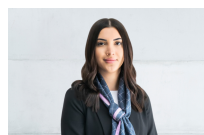

Cleverly designed to showcase the very best in contemporary spacious living, this brand new double storey two bedroom townhouse provides the perfect balance of both privacy and accessibility, superbly positioned to ensure lifestyle excellence.

Impeccably constructed, incorporating a flexible floorplan and high quality fixtures and fittings throughout, the townhouse offers light filled, separate living and dining zones with beautiful Tasmanian timber flooring and split system heating/cooling, adjoining stylish Bosch kitchen with Caesarstone bench tops and glass splashback.

Both double bedrooms feature built in robes, sharing luxurious central bathroom with stone vanity, large bath tub and separate shower. Not to mention concealed European laundry, additional powder room and an abundance of storage options.

Price:

\$520 PW
