Lightfilled Living

This exceptional home, built and finished to the highest standards, offers an ideal rental opportunity. Located in a small complex of only three units, this property includes numerous extras designed for comfortable living.

Upstairs, you'll find two spacious bedrooms with robes, a luxurious bathroom, and a convenient study nook. The open-plan living and dining area complements the elegant, modern kitchen, which features high-gloss cabinets, stainless steel appliances, a dishwasher, stone-look countertops, and abundant cupboard and bench space. Added feature, the property is fitted with electric roller shutters throughout, great for privacy and security!

Additional features include polished timber floors, a single automated garage with an internal connecting door, full-sized laundry, a private courtyard, a garden shed, ducted heating, split system air conditioning, plenty of storage cupboards and much more.

Price: \$520 per week
