

1/29 Poplar Street Thomastown, VIC

EASY LIVING

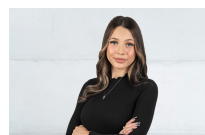

The location of this cosy house is one of Thomastown's most convenient.

The spacious master bedroom includes built-in wardrobes, and the additional two other rooms. Ample cupboard space, gas cooking appliances, and a convenient connection to the spacious, open living room are all features of the well-appointed kitchen.

A well-lit bathroom with top-notch fixtures throughout, a separate laundry room with access to the toilet, low maintenance planted gardens, a courtyard, a carport, as well as heating and cooling, round out the interior amenities.

Due to its proximity to business areas, availability of a range of primary and secondary schools, and accessibility from the Western Ring Road, this site may well be ideal.

Price: \$470 per week
