## Family Practicality With A Touch Of Luxury

High-end luxury meets a stunning contemporary lifestyle at this near-new family sized single level residence. Built with everything of the best, the home boasts an exceptional design with a four bedrooms including a master-suite, multiple living zones, well-appointed gourmet kitchen & a vast living/dining zone expanding to a private sun-drenched alfresco patio & rear yard.

Advantaged with the bonus of a double garage, this dream abode also boasts a lengthy list of top-notch inclusions and is surrounded by equally appealing homes. With Pipetrack Park down the road, the home is also close to Lalor Station, buses, Pacific Epping (Plaza) shopping, recreation reserves & schools.
